

A message for leaseholders

Re: Coronavirus / Covid-19

THE LEASEHOLDERS CHARITY

We are in difficult times but we hope you are keeping well and safe. It is now increasingly useful for residents to have communication with each other in order to help and support their community. Here's what you can do.

If you have a managing agent please ask them to send this form to all other leaseholders in your block or estate.

If you don't have a managing agent then print this page:

- Put it up on your block notice board
- Post through neighbours letterboxes
- Place under doors or
- Email to others to share the information.

(Leaseholder/s residents will need to volunteer to set up the group and insert their contact details above)

We are setting up a community email and/or 'WhatsApp' group. To join please contact me by email or phone. Details below:

.....
.....
Note – By responding you give consent to your email address and/or phone number being available to all those in the chain. It is also possible that you may receive more than one of these letters, so please do share information until the group is formed.

For any residents who would like to offer help and support to vulnerable residents, please use the form below and slide it under a neighbours door or in their letterbox.

Finally it is important to stay informed with Government information and guidelines. See some useful links:

- <https://www.gov.uk/coronavirus>
- www.nhs.uk/conditions/coronavirus-covid-19/

HELLO! *Now everyone is self-isolating it's important we help each other out*

My name is

I live in block **Flat/House No**

My phone number is

My email address is

Our residents group main contact is

Our residents group details are
(eg Website, Facebook group)

If you need help and support due to COVID-19 I can help with:	<input type="checkbox"/> Picking up shopping	<input type="checkbox"/> Posting mail
	<input type="checkbox"/> A friendly phone call	<input type="checkbox"/> Urgent supplies

Just call or text me and I'll do my best to help you (for free!)

Coronavirus is contagious. Please take every precaution to ensure you're spreading only kindness. Avoid physical contact (2m distance). Wash your hands regularly. Items should be left on your doorstep.
